KEY NOTE

Save that Starfish: Making a Difference, One Child at a Time

Presented by Julie Witten, 4C for Children

Come hear some of the most popular requests for early childhood workshops. We will have two tracks for you to choose from, an infant/toddler track and a preschool. The breakout session topics include:

- Interacting with children in meaningful ways
- Setting up your environment for success
- Engaging children in active play

and so much more...

Julie Witten from 4C will be our keynote speaker. In her session, *Save that Starfish: Making a Difference One Child at a Time*, she will highlight ways teachers can make a difference by focusing on individual children, spending time in conversation with children and building individual skills.
